Written question;

Please write your comments. Your comment will help us to improve the course.

(1) Is there anything in particular you would like us to do to make the class better?

(2) Is there anything particularly difficult to understand?

(3) Which field of the summer program do you want to take?

(In this time, we provide you with the maintenance field.)

(4) Are there any other comments?

(For example, please select a bridge engineer as a lecture. Set up an opportunity of free discussion with all participants, etc.)

Thank you for your corporation.
