

International Program (国際関連行事)

JSCE Annual Meeting International Program focuses on current issues and challenges facing the civil engineering profession. All registrants of the annual meeting are cordially invited to participate in the international program. Please take this opportunity to meet and share ideas and opinions with engineering professionals from around the world. .

国際関連行事として、期間中に英語による以下の行事を実施いたします。全国大会登録者であれば、どなたでも参加できます。ふるってご参加ください。

○Venue: Ehime University, Johoku Campus, Center for Information Technology,
Media Hall
(会場：愛媛大学城北キャンパス総合情報メディアセンターメディアホール)

1. International Roundtable Meeting (ラウンドテーブルミーティング)

Topic : "PPP Policy, Guidelines, and Project Implementation"

(PPP に関する方策およびガイドラインとプロジェクトの実施)

Date : Wednesday, September 7

Time : 15:00~17:00

2. WFEO-JFES-ACECC-JSCE Joint Meeting

"2011 Great East Japan Earthquake Disaster" (東日本大震災報告会)

Date : Thursday, September 8

Time : 9:00~12:00

※For further details, please visit the JSCE website : <http://www.jsce-int.org>

Roundtable Meeting

on

PPP Policy, Guidelines, and Project Implementation

Venue: Center for Information Technology, Ehime University Johoku Campus

Date: Wednesday, September 7, 2011

Time: 15:00 – 17:00 local time

Moderator: Prof. Shigeru Morichi, a former JSCE president,
National Graduate Institute for Policy Studies

1. Background

PPP (Public-Private-Partnership) concept in infrastructure development has been introduced under the lack of the public financial resources in many countries. Each of them has its policy and guidelines about PPP project and may face issues and difficulties in PPP project implementation. The improvement of the policy and guidelines, and successful project implementation are the major challenges that they are facing.

2. Objectives

- 1) To learn various PPP policies and guidelines based on the questionnaires answered
- 2) To learn two- successful and unsuccessful/difficult- PPP projects of a country; the RTM presenters will explain the two projects with the reasons why they are implemented successfully and unsuccessfully.
- 3) To discuss the improvement of PPP project design and implementation

3. Preparations that RTM presenters are expected to do

- 1) PPP policy and guidelines; Appendix 1
- 2) Successful and unsuccessful project examples; Appendix 2
- 3) A Power Point presentation at the roundtable meeting

4. Agenda

- (1) Opening address by Mr. Takuro Yamamoto, JSCE President
- (2) Presentations by AOC societies in alphabetical order
- (3) Discussions and Conclusions
- (4) Closing

WFEO-JFES-ACECC-JSCE Joint Meeting

2011 Great East Japan Earthquake Disaster

Venue: Center for Information Technology, Ehime Univ. Johoku Campus

Date: Thursday, September 8, 2011

Time: 9:00 p.m. – 12:00 p.m. local time

AGENDA

1. Opening address
2. Presentations on field studies and findings
 - (1) JSCE's response and future plans by Mr. Moriyasu FURUKI, Advisor, JSCE
 - (2) The impact of earthquake by Prof. Kazuo KONAGAI (The Univ. of Tokyo), JSCE Earthquake Engineering Committee
 - (3) The impact of tsunami by Prof. Shinji SATO (The Univ. of Tokyo), Coastal Engineering Committee
 - (4) Liquefaction phenomenon caused by the earthquake by Prof. Ikuo TOWHATA (The Univ. of Tokyo), JSCE Earthquake Engineering Committee
 - (5) Damage of Concrete Structures by Tsunami by Prof. Kyuichi MARUYAMA (Nagaoka Univ. of Technology), a JSCE Board of Director
 - (6) PICE

Break (15 minutes)

3. Q & A
4. Closing
